Dear Mr. Alexiou, dear Mr. Starina,

I wanted to let you know how much I appreciate that you took the time to travel to Berlin and introduce me to the details of your project on GI-soldiers and their offspring in Germany. I am impressed not only by the complexity of the subject but also by the thoroughness and dedication with which you approach the matter.

As Coordinator of German – American Cooperation in the German Federal Foreign Office, I am very grateful to you for sharing your insight with a large public. This important issue of transatlantic relevance clearly merits all our attention.

I sincerely hope that the considerable amount of details that you could gather will not only lead to a successful documentary film project but will also mobilize many supporters for the organization that you are planning to found.

Wishing you best of luck for this exciting and demanding project and with all my best regards,

Karsten D. Voigt
